An instalment plan if any mentioned, is offered only in case students are unable to pay tuition fees as per the College's standard Payment Schedule, but this will not negate our standard terms of payment, i.e. according to the College's standard Payment Schedule and the College's Refund Conditions regarding a cancellation fee the College charges in case of refund. A cancellation fee as per the College's Refund Conditions applies to unpaid tuition fees in the attached 'Document of Offer', not just to the paid instalment amounts. Upon signing this Agreement you are deemed to have entered into a written agreement with the College based on the conditions of enrolment, and have agreed that all information provided by you including personal and contact details, course enrolment details and changes, and the circumstance of any suspected breach by you of a student visa condition may be made available to Australian Government and designated authorities and if relevant, the Tuition Protection Service (TPS) and the Overseas Students Tuition Fund (OSTF), pursuant to obligations under the ESOS Act 2000 and the National Code. The Agent Commissions deducted by an Agent from the payment of tuition fees will not be refunded by the College to you.

The Agreement, the availability of complaints and appeals processes and the above conditions do not remove the right of student to take action under Australia's consumer protection laws and the College's dispute resolution processes do not circumscribe the student's right to pursue other legal remedies. You have an obligation to notify the College of a change of address while enrolled in the course.

23. Entry requirements for the Colleges' courses shall be in accordance with the ESOS Act 2000, the National Code and rules set by Government Departments.
24. Conditions of Enrolment for Principal course:
In the case of a package of 2 or more courses, the College charges a cancellation fee applying for all the tuition fees including the tuition fee of a principal course and this will be deducted from a refund if any.
25. The amount of invoice (Document of Offer) as per the Payment Schedule in the attached 'Document of Offer' shall be paid at the time of enrolment unless instalment arrangements or a different time of payment is agreed and specified in the College's invoices (Document of Offer). In the case of scheduled payments and specially agreed instalments the College reserves the right to charge you a penalty of not less than \$200 each time for every delay in your payments. Notwithstanding this clause, If you fail to pay fees on due date or at the latest upon receipt of due notice, the College reserves the right to terminate your enrolment. An instalment plan if any mentioned, is offered only in case students are unable to pay tuition fees as per the College's standard Payment Schedule, but this will not negate our standard terms of payment, i.e. according to the College's standard Payment Schedule and the College's Refund Conditions regarding a cancellation fee the College charges in case of refund. A cancellation fee as per the College's Refund Conditions applies also to unpaid tuition fees in the 'Document of Offer', not just to the paid instalment amounts.
26. TPS (Tuition Protection Service) does not apply for enrolment fee, material fees (textbooks, resources, calculator, stationery, tools, uniform, etc.), administration fees, sports and excursion fees, examination fees, work placement fees, OSHC fee, RPL (Recognition of Prior Learning) assessment fee, accommodation (homestay, etc) placement and accommodation fees, guardian placement and guardian fees, airport transfer fee and any other fees and charges other than tuition fee.

The above Conditions do not remove the right of the student to complain and appeal through the College's Complaints and Appeals Processes and also this Agreement and the availability of Complaints and Appeal Processes do not remove the right of the student to take further action including Overseas Students Ombudsman and other external Support Services such as outside registered counsellors under Australia's consumer protection laws. Upon signing the enrolment form you are deemed to have entered into a written agreement with the College based on the conditions of enrolment, **and have agreed that all information provided by you including personal and contact details, course enrolment details and changes, and the circumstance of any suspected breach by you of a student visa condition may be made available to Australian Government and designated authorities and if relevant, the Tuition Protection Service (TPS) and the Overseas Students Tuition Fund (OSTF)**, pursuant to obligations under the ESOS Act 2000 and the National Code. The College's dispute resolution processes do not circumscribe the student's right to pursue other legal remedies.
