8. The College may decide not to report the overseas student for breaching the attendance requirements if the overseas student is still attending at least 70 percent of the scheduled course contact hours and the overseas student provides genuine evidence demonstrating that compassionate or compelling circumstances apply.
9. The College will not extend the duration of the overseas student's enrolment if the overseas student is unable to complete the course within the expected duration, unless:
 - 9.1. there are compassionate or compelling circumstances, as assessed by the College on the basis of demonstrable evidence, or

Policy in accordance with the requirements of NESA (NSW Education Standards Authority)

It is the policy of Oxford College Sydney to comply with all state and commonwealth regulations regarding the attendance of the students.

1. Context

- Regular attendance at school is essential if students are to maximise their potential. Schools in partnership with the Guardian/Parent are responsible for promoting the regular attendance of students. While the guardian/parent are legally responsible for the regular attendance of their children, College staff, as a part of their duty of care, monitors part or whole day absences.
- The school attendance register (roll) and the register of enrolments should reflect the highest professional standards.

2. Responsibilities

2.1. The Principal will:

- (a) ensure that staff are aware of this policy and that staff implement its requirements
- (b) maintain in print a register of enrolments and daily attendances of all students in a form approved by the NSW Minister of Education for the attendance register. A common code approved by the Minister must be used.
- (c) ensure that students are informed that it is their responsibility to attend school regularly. Student services officer will send notice by email to parents/guardians if they are absent more than five days.

- (d) Sign off on the accuracy of the roll on Monday following the preceding week.
- 2.2. Teachers have the responsibility to mark rolls accurately each day. Absences must be entered by the teacher responsible for marking the roll on the day. If a student is absent, explanation for the absence must be explained using the code, such as S and L. Absence of more than 5 days consecutively must be explained by providing a written document e.g. medical certificate.
- 2.3. The Principal is responsible for the identification of students whose attendance is 80%, or unsatisfactory at less than 80%. Student service officer issues a warning letters to student when the attendance goes below 80%.
- 2.4. Teachers and the Student Services Officer are responsible for advising students of their attendance requirements at induction through student handbook and whenever their attendance is an issue.
- 2.5. Students are responsible for:
- (a) providing written evidence explaining the reason for any absence
 - (b) maintaining satisfactory attendance as per VISA requirements.

3. Requirements

- 3.1 The College keeps a register of all enrolments, which includes the following information for each student:
- name, age and address
 - the name and contact telephone number of student, or student and guardian if student's age is under 18 years old
 - date of commencement and, where appropriate, the date of leaving the school and the student's destination
 - for students older than six (6) years, previous school or pre-enrolment situation
 - where the destination of a student below seventeen (17) years of age is unknown, evidence that a Department of Education and Communities officer with home school liaison responsibilities has been notified of the student's full name, date of birth, last known address, last date of attendance, guardians' or parents' names and contact details, an indication of possible destination, other information that may assist officers to locate the student, and any known work health and safety risks associated with contacting the guardian/parents or student.
- 3.2 The College has in place and implements policies and procedures to:
- monitor the daily attendance/absence of students
 - identify absences from school and/or class(es)
 - follow up unexplained absences
 - notify parent(s) and/or guardian(s) regarding poor school and/or class attendance
 - transfer of unsatisfactory attendance information to student files by the Student Services Officer.
- 3.3 The College maintains a register of daily attendance that includes the following information for each student:
- daily attendance, which is recorded by noting daily absences
 - absences

- reason for absence
 - documentation to substantiate reason for absence.
 - transfer of unsatisfactory attendance information to student files by the Student Services Officer.
- 3.4 The College has a policy and procedures for exercising the Minister’s delegation (see “appendix A” procedure) under section 25 of the Education Act 1990.
 - 3.5 The Principal’s delegation for exemption from attendance for up to 100 days is only granted where conditions exist which make it necessary or desirable that a certificate of exemption be granted
 - 3.6 The College maintains records of the exercise of the above delegation including copies of all certificates issued under the delegation.
 - 3.7 The register of enrolments will be retained for a minimum period of five (5) years before archiving.
 - 3.8 The register of daily attendances will be retained for a period of seven (7) years after the last entry was made.
 - 3.9 The enrolment register and register of daily attendance is backed up for off-site storage in electronic database.

Procedure in accordance with the requirements of NESA (NSW Education Standards Authority)

Enrolment registers are recorded and maintained by Student Services Officer and Administration Officer.

Allocated teacher marks the daily attendance roll in period one.

Attendance rolls are also marked by teachers at each lesson.

The teachers sign the roll weekly and give it to the Principal at the end of each week.

The Principal gives the attendance rolls to the Technical Support Officer for data entry at the beginning of each week.

In cases where students are absent for more than five days the student’s services officer will send email to students, parents/guardians.

Students who have been absent for 5 consecutive days without medical certificate:

- The Principal or delegate makes contact by email and advises the student (the student and/or the guardian/parent in case of under 18 age student) of the seriousness of the situation. Record of this contact to be kept in the student file.
- In addition to this personal contact, an Initial Warning Letter will be sent to parents/guardians by the Student Services Officer. Copies of the letter to be placed in student’s file.

Attendance records are to be entered into the database using minister's code for attendance (see "appendix B code") on a weekly basis. Teachers must use minister's code for marking daily roll. The Principal may decline to accept the explanation as satisfactory for an absence. The parent/guardian will be advised that the explanation has not been accepted and a reason for the decision provided.
